

## HomeFree Nevada

### Northern Nevada Approved Affiliated Companies

#### Promoting Energy Conservation

### Efficient Energy Usage: First Step to Savings.

At *Energy Insight* we have extensive knowledge and auditing experience in home energy upgrades.

Infrared photos show heat differential, pinpointing potential areas for improvement.

It is better to efficiently use your energy resources and not be wasteful and our assessment with recommended upgrades can guide you to help your home perform better. After upgrades are made, a final test is performed to verify that the recommendations were followed and are working.
